[ADWD Spoilers] Victarion - A Dance with Dragons - Westeros Jul 20, 2011 · Honestly I thought that his bold vow to sail across the Dothraki Sea (and subsequent strangling of the fisherman who mocked him for it) might have been the funniest thing in the series since "Thapphireth!". I also really liked it when he caught the slaver vessel and basically told the rowers "You ...

Brienne - Alive? Brainwashed? - A Dance with Dragons - Westeros Mar 4, 2012 · I'm new to forums in general so sorry if this has been answered (tried the search and didn't find anything). In a Dance with Dragons (hardcover page 645-646) Jamie's chapter - Brienne is clearly alive - and it seems that she is lying about Sansa and the Hound - since she is in the Vale and the Hound is presumably dead.

A Dance with Dragons - A Forum of Ice and Fire - Westeros Aug 21, 2011 · Daeny's dragons are still pitifully small when compared

to Balerion the Black Dread, who cast entire villages into shadow when he flew over them, and who could swallow an aurochs whole. From that description, I would give Balerion a wingspan of at least 300 feet.

What Varys Doesn't Say in the Epilogue... - A Dance with ... Aug 16, 2012 · Jon Connington notes in one of his chapters that the Blackfyres ended with maelys the monstrous in the male line. this means we can assume the female line survived. if the Blackfyres kept the Targ tradition of marrying brother to sister then its possible that Aegon is a Blackfyre descendant through the female line.

A dance with dragons severely underrated - Westeros Oct 8, 2012 · Feast and Dance, regardless of their entertainment value, are really making me worry about how GRRM is gonna wrap up the series in just two more books. The slow pacing may be a relief to some, but the introduction of

so many characters and plot threads is the opposite direction to where the story probably should be going now the series it ...

The Second Dance of Dragons - A Different Thought Apr 7, 2017 · Maybe when GRRM said Second Dance he didn't mean literally, as in it would involve Targ vs. Targ and dragons but perhaps just similar circumstances. Imo there is a clear Cersei/Rhaenyra parallel. Cersei is a queen that has cuckolded her husband and had three children that are very obviously not her husbands (at least based how the folks in ...

What's the point of Quentyn Martell? - A Dance with Dragons Jul 31, 2014 · Then she got ships which could have taken her to Westeros, but with no army and her dragons would have been too young to fight: she turned aside to Astapor, got herself a free army of Unsullied by reneging on a bargain and murdering the people she purchased them from instead of paying the agreed price, but

they still weren't enough to actually ...

A Dance with Dragons - A Forum of Ice and Fire - Westeros Jun 28, 2011 · A place to discuss A Dance with Dragons chapter-by-chapter, in a way to prevent spoilers while still reading. Read the rules before posting. Read the rules before posting. 5.7k

[Best Chapter of ADWD \(spoilers](#)

[for those who are reading \) - A ...](#) May 14, 2013 · Aside from those, the Daznak's pit, Dany's last POV, Jon's last POV, Kevan's death, Cersei's WoS, and Quentyn taming the dragons are some of my favorite ones. I know there are chapters that are just too booring and it seems like the characters stopped being awesome.

The Watcher - A Dance with Dragons - A Forum of Ice and

Fire Nov 25, 2014 · Dany has an army that represents a major threat to Dorne. They know she's making for Westeros sooner or later, and they also know Dorne is in the way. Dorne has a track record of dealing with dragons better than most but it's fair to say not dealing with dragons at all is preferable to dealing with dragons, and also there's the huge army as well.
